

DEPT. 113 - CATS

Superintendent – Sue Nelson

HEALTH REQUIREMENTS - see page 91

- All animals exhibiting at the fair must be free of any contagious, infectious or communicable disease.
- St. Croix County Fair, Inc. **requires** that all cats over 4 mos. of age must have a vaccination status that is current for the following:

1. Feline Rhinotracheitis	3. Panleukopenia
2. Calici Virus	4. Rabies
- All vaccinations must be given at least 2 weeks prior to the fair
- Feline exhibitors are also **encouraged** to have their cats vaccinated for Feline Leukemia and Chlamydia. Please consult your veterinarian for their recommendation in your specific area
- **All cats and kittens must be vaccinated for rabies and distemper. A certificate of vaccination must be shown at the time of veterinary inspection prior to the show. It is recommended cats & kittens have a booster distemper shot, but it is not required for showing at the Fair.**
- All cats must be free of external parasites including fleas, ear mites, & ringworm. Any cat found by the show veterinarian to be exhibiting signs of any contagious, infectious, or communicable disease including fleas, ear mites, or ringworm, will not be allowed to exhibit at the fair.
- **No whole male cats will be allowed. No obviously pregnant or nursing cats should be shown.**

GENERAL RULES

- **Limit of one animal per exhibitor**
- Cage drapes are required. Bath towels or old curtains work, held in place with clothespins or safety pins.
- Cats are vetted in from 1:30 p.m. until 3:00 p.m. on Saturday
- Judging will take place Saturday evening at 3:00 p.m.
- All entry forms must be sent to Gayle Sullwold, 2424 Hwy. 63-64, Emerald, Wi. 54013 **by June 17**
